

---

**SELF-DRIVE HORSEBOX HIRE**  
**FOR RUTLAND, PETERBOROUGH AND STAMFORD**

---

**Directions to Manor Farm, 61 Main Street, Cottesmore, Oakham LE15 7DH**

We are located in the centre of Cottesmore village. The maps below shows our position (marked as 'Manor Farm Livery') relative to other significant landmarks in the village. The yard driveway is half-way between the Ford Garage and the Church.

Look out for a stone house with black iron railings around the front garden – the yard driveway is marked at the bottom by a telegraph pole which has 'Manor Farm' on it.

Head up the driveway, where you will meet a large black gate. This will be closed but on the latch. Please head on into the yard and park in front of the wooden building immediately on your right (if space allows), alternatively please park in front of the large black Dutch barn, but we will advise where best to park vehicles that are being left behind.
